

# **JCT 600 Bradford League scorers Newsletter No 4**

Thank you to everybody who attended Thursday's scorers meeting at Cleckheaton. It was good to see you all and I hope you all found it constructive. The meeting proved to be well timed with Total Cricket Scorer issuing their latest update it was certainly well timed.

Those clubs that didn't attend now need to make arrangements for their computers to be updated. The clubs involved are Farsley, Pudsey Congs, Saltaire and Manningham Mills. The update is important because it has been designed to help solve the problems with live scores,

It has been suggested by TCS that we set live scores to a defined time period rather than each over. We would like for this week Cleckheaton, Farsley and Gomersal to set to every eight minutes. Pudsey St Lawrence, Undercliffe and Woodlands should set to 10 minutes. All Division Two clubs using laptop scoring should set to 12 minutes.

**REMEMBER:** Always press update scores at the end of the innings so that it goes live. You must do this before shutting down your computer.

**RESULTS:** Some clubs are still not sending both the scorebook and scorecard versions at the end of the game. Failure to do so will earn your club a fine.

It is vital for registration and records purposes that your machines are set to give first names. It is possible for a club to have more than one A Smith or A Khan so we need to be able to distinguish between them, To get first names on the report this is what you must do.

## **OBTAINING FIRST NAMES ON REPORTS**

- 1 In Total Cricket Scorer select Tools
- 2 Select general settings which is to the right of the toolbar
- 3 From the menu that appears find printing options
- 4 Tick the box that says show first names on summary print
- 5 Click apply and then ok.

You can check this is working once live scores is running because first names will be shown on the scorecard that is visible on the internet.

## **TURNING OFF YOUR NETBOOK AT TEA.**

- 1 At the end of the first innings your opening information dialogue box comes up for the next innings at this point press the pause button and select tea from the drop down menu.
- 2 If live scoring. Then go onto the tools tag and press the update score button this updates the score at tea on the web.
- 3 Then go onto the match tag and close match come out of TCS.
- 4 If live scoring: Disconnect from the internet.

And now you can turn off your netbook.

## **AFTER TEA**

1 Turn on your note book.

2 If live scoring re connect to the internet.

3 Go into TCS and open the match.

4 Go into score and press the pause button this will bring the opening information up now you can start scoring.

## **ADDITIONAL PLAYER REGISTRATIONS**

These players were not included in the list I issued last week.
